Hi Suzanne,

On Friday I sent an email with the two main documents and links to the countermeasures. However, this AM I sent this email to Henry with all the documents.

I just want to remind you that when we get to the action items ECAD has an action item. I emailed Rebecca about it this morning, but I thought I'd remind you again.

Henry, Scott, and Maria,

On Friday I shared the links to all of the documents that will be shared today over Skype. However, if you aren't able to clearly see them or have access issues, I've also attached the PDF versions of the agenda, bowling chart, action items, ELMStar data, and countermeasures for your convenience.

Welcome to our R8 MBR, we look forward to talking with you.

Greg and Deb,

Attached are PDFs of all of the documents and countermeasures that will be shared on Monday. I have a pre-brief scheduled with Deb on Monday morning, just to review the bowling chart. It may be easier to use the links that I provided during the meeting, so I'm pasting them here as well. I've added Henry and Scott Fraser to the meeting invite, both accepted.

Please let me know if you need anything else.

Thanks,

Karly

Hi Shea, can you please cancel this meeting? Can you note in the cancellation that the meeting is a duplicate, and the actual meeting is still scheduled? I want SLT to use my Skype call-in number. That meeting invite should be on Deb's calendar for the same time as this one. I want to make sure there isn't any confusion.

Thanks,

Karly

As agreed, the business reviews will be on the third Monday of every month during the 1-3 timeslot. If that Monday falls on a holiday we will meet the following day during the same time slot. When they conflict with RLT meetings they will move to the fourth Monday of the month. (March 19 will be moved to March 26; April 16 will be moved to April 23, etc.)

Please **call** and advise the staff assistant (or acting) **by 10am the morning of** the meeting, if you will be calling in. (An email is not recommended due to the number of meetings attended that day.)
